

The New Word Matching Test of Mental Flexibility

Instructions: You will have 1 minute to complete this task. You can begin when the teacher tells you to and you must put your pencil down when the teacher tells you to stop. Follow the instructions below.

Imagine that you are given the opportunity to create a new word. The word that you create is **fordin**.

Write down your definition of “fordin” in 2-3 sentences.

STOP! Don't move on to the next page until the teacher tells you to do so.

Instructions: You will have 5 minute to complete this task. You can begin when the teacher tells you to and you must put your pencil down when the teacher tells you to stop. Follow the instructions below.

Draw a picture that can help someone understand what the word **fordin** means based on the definition you gave on the previous page. You cannot use the word directly or define it in the picture.

STOP! Don't move on to the next page until the teacher tells you to do so.
